Ramadan Muburak

by: Nabid Chowdhury

Ramadan is a special month in the Islamic calendar when Muslims around the world fast from sunrise to sunset. It's a time for self-discipline, spiritual reflection, and families to strengthen their bonds. During Ramadan, Muslims wake up before dawn to eat a meal called Suhoor, and then they don't eat or drink anything until sunset, when they break their fast with a meal called Iftar. Fasting isn't just about not eating; it involves refraining from negative behaviors like gossiping and being mean to others. Ramadan is a time to do good deeds to help others. It's a month of generosity, kindness, and coming together as a community. Beginning March 10th, girls who are fasting in grades 6th through 8th are invited to head to the Parent Resource Center during their lunch period, located on the 1st floor to rest, relax, and reflect.

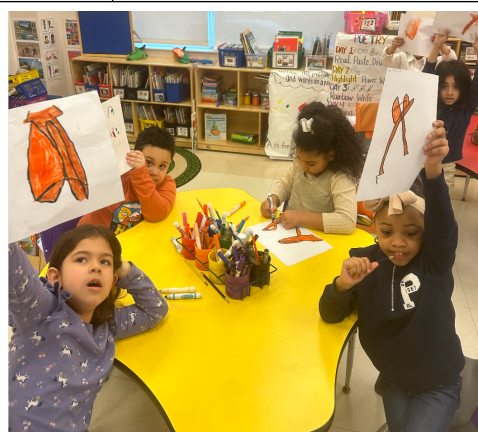

**6th-8th

Space!**

Location: Parent Resource Center
Date: March 10th-April 9th
Time: During Lunch Period

Come Rest, Relax, & Reflect

An illustration of a girl wearing a white hijab and a blue top, with her hands clasped in a prayer-like gesture. In the background, there is a mosque with a dome and minaret, set against a large, glowing orange and yellow circle that resembles a sun or moon. The background is a teal color with hanging lanterns.

Leukemia Awareness Day!

School Safety Patrol

Under the leadership of Mrs. Bing and Mrs. Moody, our 7th and 8th grade safety patrol ensure the safety of our staff and students.

Being on the safety patrol instills students with a sense of responsibility, leadership and citizenship. They help with the morning arrival of students, breakfast, dismissal and various areas of the building. We appreciate all their hard work!

Pi Day

On March 14th (3.14), students in 5th through 8th grades will compete in a contest to see who can recite the most digits in Pi. The Math Department's teachers of Mr. Mejia, Mr. Rauzzino, Mr. Nugent and Dr. Pierre are preparing students for the upcoming challenging contest. The Pi winner from last year, Jawad Islam, recited 213 digits! Teachers will visit each fifth through eighth-grade class to hear students recite the Pi numbers. Four representatives from each grade will compete in the final round. A new Pi King or Queen will be crowned by the end of the day! Each participant will receive a Pi pencil! After the contest, all students will eat pie. Pi and Pie for all!

Cheerleading News!

Congratulations to our Cheerleaders!

On Saturday, March 2nd, at Atlantic City High School, our Stingrays took 4th place for the walk-in and 5th place for their routine.

Thanks to Coach Owens and Coach Rush for their hard work!

Picture Day is Coming!

Order this year's School Picture today!

Friday, March 8th

Lifetouch

Black History Month

PreK's Question of the Day: Do you want to dance like Misty Copeland? Mrs. Allen (being the designated dancer in the room) read the Misty Copeland Book and demonstrated some of her dance skills with the students.
